

Peoria Garage Coating worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Property ZIP, garage type and approximate floor dimensions

- ☐ Existing bare concrete, paint or coating and areas that are peeling

- ☐ Cracks, stains and any known moisture or previous repair history

- ☐ Items, cabinets or shelving that affect installer access

- ☐ Preferred finish and dates you can keep vehicles and storage off the floor

2. Compare two written proposals
